EPGE hosted Nobel Prize Laureate Eric Maskin and several other top economists in the “Election and Strategic Voting: Condorcet and Borda” in July, 2014.

Organization and opening remarks were made by FGV EPGE Dean, Rubens Penha Cysne and FGV EPGE Research Director, Humberto Moreira. Participants in the seminar included the president of Getulio Vargas Foundation, Carlos Ivan Simonsen Leal; the vice-president of the Getulio Vargas Foundation, Sergio Franklin Quintella; directors and faculty from other FGV units, as well as authorities and guests outside.
